Care Management

Care management fully managed by provider and includes:

- regularly assess the person's needs, goals and preferences
- review of home care agreement and care plan
- ensuring care and services align with other supports
- partner with the person and their or carers about their care
- ensure their care and services are culturally safe
- identify and address risks to their safety, health and well-being

Package Management

Package management includes:

- establish and manage home care budgets
- coordinate services (such as schedule services and workers or arrange respite care)
- prepare invoices and monthly statements
- respond to enquiries about invoices
- organise third party services
- buy equipment (such as mobility aids)
- arrange allowable home modifications
- submit claims to Services Australia
- maintain and update income tested care fee and basic daily fee payments
- paperwork for ceasing care
- store and maintain records
- ensure staff are suitable (such as with police checks and immunisation checks)
- train and educate staff
- conduct quality improvement, compliance, and assurance activities
- complete financial reporting
- maintain COVID-19 vaccination compliance
