Choose to share the care...
refer your friends or family!

At Southcare, caring comes full circle. Our Share the Care program is all about spreading the word so more people can experience the quality, compassionate care you already know and trust.

If you refer a friend or loved one who joins Southcare for their in-home aged care needs, you'll both receive a $100 gift card* as our way of saving thanks! Simply fill out the form below and send it to Southcare to receive your gift card.

Together we can all make sure people receive the care they deserve and stay connected in the place they love most - their home.

Sharing the care is as easy as 1, 2 ,3

1. Tell us who you would like to refer by sending in this form or informing your Care Partner or CHSP Care Coordinator at carepartners@southcare.org.au chsp@southcare.org.au
2. Person referred signs an agreement with Southcare for either a Commonwealth Home Support Program or Support at Home services*
3. Receive your thank you $100 Gift Card in the mail!
